

THE SHELBY WHITE - LEON LEVY PROGRAM
FOR
ARCHAEOLOGICAL PUBLICATIONS

Since you have applied for a grant that extends over two (or three) years, I wish to draw your attention to section 5 of the "Agreement". The White-Levy Archaeological Publications Program requires that you submit to the Board a "Status Report" after the completion of the first year of support. This "Status Report" also serves as a "request for renewal" of the grant for a 2nd year. The report explains how the first year of funding was used, and sets out all progress that has been made towards the completion of the project.

This year we have decided to alter the timeline for the submission of the "Status Report". We have made this change so that the "Status Report" for the first year can cover all progress completed between July 1st 2012 and June 30th 2013, and ideally include drafts and representative excerpts of completed sections as well. The report must be submitted to the Board for review by August 1st 2013. It will then be reviewed at the Board's September meeting. The renewal of the grant for a full 2nd year is conditional on its approval. *The requirements set out here in this letter now supersede those contained in the original section 5 of the "Letter of Agreement".*

Yours sincerely,

Christopher H. Hallett
Director, Shelby White-Leon Levy Program for Archaeological Publications
